

Men's Club Minutes for Wednesday, May 1, 2019

The meeting was called to order at 8:17 am by Team Captain Michael Johnston, acting for President Jim Sroke.

New members were welcomed to MC, Terry Cook, Ladd Dooley, and Neal Bailey. Doug Trogstad was given a hearty cheer for picking up the doughnuts.

Mike reminded all that there is a signup sheet on the MC bulletin board for anyone who is not receiving MC emails. Place your name and email on the list to be included in all MC news.

Minutes of meetings as well as Treasurer's Report are available online at AlderbrookGolfClub.com and hard copies of them are available upon request. GHIN fees/MC dues should be paid by now. If not, no membership privileges are available including any winnings in MC play.

The MC 2-Man Best Ball Tournament sign-up sheet is on the bulletin board. Sign-up in the category of your current handicap (18 and below, or 19 and above). Play will begin on June 1. **Pay Before You Play** and please finish on time. Play at the handicap as of June 1 throughout the tournament.

Summer rules are now in effect. Play the ball as it lies. Ground Under Repair will be marked soon by the maintenance staff. This means that Net Perfect Games will be paid but one per member per season.

Captains Report:

The Traveler Prize Pot is growing and will continue all season with payouts at our annual awards luncheon.

Home and Home signup ends today for Lakeland Village. Twenty plus members so far and LV has ability to match our numbers. First match is next Wednesday, May 8 at Lakeland Village. Play will begin at 9:00 am.

The Alderbrook Challenge begins next month on meeting day of June 5.

Your 50/50 ticket is good for a drink after the round (beer, wine, or soda only).

Last month's winner was Tom Uszynski.

Handicap Chairman Report:

No issues were reported.

Old Business:

The Back Nine Group will tee off of number 10 at 10:00 am if any are present.

New Business:

Our head pro Sam discussed the summer rules for playing out of poor ground conditions on the course. There is only one rule and that is play the ball where it lies unless within an area marked by a white Ground Under Repair line. IF the ball

is in a very questionable area that is not marked, take a picture and send it to Sam. Or, if no quick response, play two balls, one from where it lies and one after a drop. Sam will make determination later (most likely no relief).

The 50/50 winner was Jerry Clausen.

Meeting adjourned at 8:32 am.
